

E197FP 19 inch Black Flat Panel Monitor

The Dell™ E197FP 19" Flat Panel Display redefines the performance of LCD displays with a stylish Dell industrial design and enhanced panel specification. It utilizes a 19" Active Matrix TFT LCD that displays brilliant text and graphics with a maximum resolution up to 1280x1024 pixels. This monitor has wide viewing angles, which allow you to view the screen from various positions without compromising image quality. Featuring fast response time of up to 8 ms, this monitor delivers images and text with minimum smearing and ghosting. Offering ultra-thin 17 mm bezel design, the E197FP monitor optimizes viewing experience and minimizes the space occupied by the display. Also, the display screen can be tilted 4° forward and 21° backwards for viewing comfort. This display is compatible with Dell™ AS501PA Flat Panel Attached Sound Bar (sold separately) that adds multimedia capabilities to the flat panel display. Dell™ -branded monitors undergo exhaustive testing for performance, reliability, durability and compatibility with Dell™ systems.

The connectors for this monitor are as follows:
